

Crossroads United Church in Kingston, Ontario seeks a full-time ordained minister due to retirement in June, 2017. Crossroads is an open-minded and inclusive congregation that seeks to nurture spiritual growth; promotes social justice; and celebrates God's presence with worship that is relevant and with music that moves the soul. Our church is located mid-way between old Kingston and the newer suburbs and we have an accessible sanctuary and hall that are equipped for projection. The successful candidate will work with a team that includes a Designated Lay Minister, two Directors of Music and an involved laity. She/he will support us in our vision by helping provide pastoral care, community outreach and innovative, inspiring worship.
